Legionnaires Warned to Avoid Unauthorized 'My Legion App'

The American Legion National Headquarters IT staff has become aware of an unauthorized “My Legion App” currently available from the Android and Apple stores. The app was created by organizations identified as “Giant Killer” (Apple App Store) and “Feel Good 7” (Google Play).

Legionnaires are being asked to not engage with these sellers or download the app, as they do not have permission to use the American Legion name and likeness, and they are charging a monthly fee. The American Legion’s intellectual property attorney is exploring legal options.

American Legion National Headquarters has no plans produce a fee-for-service app. They are actively working on a mobile application focused on helping local posts and individual members. When the official app is ready, it will be announced through official Legion channels and will be identified with The American Legion as the “seller” once published to the app stores.
